Bereavement Services

Mission Statement

To provide quality end-of-life care at no expense to the patient, while supporting their family and others in the community who are experiencing grief.

Making Every Moment Matter

Bereavement Care

Because love does not end when loss begins, Hospice of North Central Oklahoma offers individualized bereavement care for all ages. This care is available not only to families of the hospice patients but also to individuals in the community experiencing grief and loss.

Know as you walk through your journey in grief, qualified bereavement staff and volunteers are available to meet your needs. For more information on our bereavement services contact the Bereavement Coordinator at Hospice of North Central Oklahoma.

“You matter because you are you. You matter to the last moment of your life.”

-Dame Cicely Saunders,
Founder of Hospice

Individual Support

We are available for companionship counseling, supportive counseling or supportive conversation whether in person, by phone or mail.

Support Groups

We provide a safe and supportive place to share your experiences of loss and learn different ways to cope and heal from each other. We provide support groups for children and adults.

Lunch Bunch

A social group that meets for lunch to socialize and help heal your grief. Come have lunch with us.

Community and Educational Services

Learn how to navigate this journey of grief through workshops and in-services throughout the year. Some of our topics include “Grief 101”, “Coping with the Holidays” and “Loss of a Mate”. A library of materials is available to help you understand your feeling of loss and to assist you through your journey with grief.

Memorial Service

A candlelight service is held annually in December at the Carolyn Renfro Event Center to honor those loved and lost.

Butterfly Wings (formerly Raindrops)

Coping with the grief of miscarriage, stillbirth or infant death can be one of the most difficult trials in a person’s life. You do not have to face this journey alone.

Children’s Services

Children grieve when a family member dies, but their reactions are quite different from adults. Several services are available to help children deal with their grief, including individual support, Club Monarch and our yearly day camp, Camp Monarch. Counselors are available to help parents, teachers and others learn how to respond to the needs of children.

Memory Quilts

Memory quilt squares are provided to the bereaved families to personalize and remember their loved one. These are sewn into a quilt that is displayed in the Hospice office. These memory quilts are for Hospice families as well as bereaved community families.

Memory Bears

For Hospice of North Central Oklahoma patient families, an article of clothing of the deceased is used to create a Memory Bear. Volunteers refashion the garment into a bear for the families to keep.
